

REMARKS

Claims 11, 12, 14 and 19 are amended so as to be limited to the elected group and/or for clarity. No new matter is added. Applicant requests rejoinder of the method of process claims (claims 16, 17, 18 and 19) which the Examiner states is permissible:

Applicant is entitled to have the method and process claims rejoined under M.P.E.P. § 821.04, since the compounds and pharmaceutical composition claims of Group I are allowable. An amendment, which results in the method and process claims being commensurate in scope with the allowed claims, will be welcomed.

Office Action mailed March 21, 2007 at page 3.

Applicant reserves the right to file a divisional application on the non-elected subject matter.

Issuance of claims 11-19 as amended herein is respectfully requested.

Respectfully submitted,
/Alana G. Kriegsman/
